1. “Retirement Systems” means the General Retirement System of the City of Detroit (“GRS”) and the Police and Fire Retirement System of the City of Detroit (“PFRS”), collectively.
2. “Communication” includes every manner of transmitting or receiving facts, information, opinions, or thoughts from one person to another person,

3. The word “person” means any natural or artificial person, including business entities and other legal entities.

4. "And" or "or" shall be construed conjunctively or disjunctively as necessary to make the requests inclusive rather than exclusive.

5. The use of the word "including" shall be construed to mean "without limitation."

6. Reference to the singular in any of these requests shall also include a reference to the plural, and reference to the plural shall include a reference to the singular.

7. "Related to" or "relating to" shall mean directly or indirectly supporting, evidencing, describing, mentioning, referring to, contradicting, comprising or concerning.

8. To “state the basis” means to provide the complete factual summary of each element of the claim, allegation, or denial. The summary should chronologically describe each and every fact, action, and occurrence that relates to the particular claim, allegation, or denial.

9. “Identify” or “describe” means the following:

- a. When used in connection with natural persons, “identify” or “describe” means to state the person’s full name, present business address (or home address) and telephone number, and city of residence as well as the substance of the person’s knowledge, where such knowledge was obtained, whether such knowledge was discussed with you, when such discussions occurred, who participated in such discussions, and the substance of all discussions.
- b. When used in connection with an entity, “identify” or “describe” means to state the entity’s full name, last known address(es), telephone number(s), and organization form (*e.g.*, corporation, sole proprietorship, partnership, joint venture, etc.).

- d. When used in connection with documents, “identify” or “describe” means to state the nature of the document (*e.g.*, memorandum, letter, notes, etc.), its author(s), its addressee(s) or recipient(s), its title or subject matter, and a date. If the document has already

been produced, it can be identified by the number given to it at the time of production. If the document has not been previously produced, then Debtor requests that it be produced, pursuant to Fed. R. Civ. P. 34, along with the Retiree Committee's response to these interrogatories.

- e. When used in connection with an oral communication, "identify" or "describe" means to state the time, date, place, and means of the oral communication (*e.g.*, telephone, personal meeting, etc.), the identity of all persons participating in the oral communication, the identity of persons hearing the oral communication, and a detailed description of the oral communication.

10. In answering these interrogatories, the Retiree Committee shall furnish all information known or available. If any of these interrogatories cannot be answered in full, the interrogatory shall be answered to the extent possible.

11. In the event Retiree Committee asserts any form of objection or privilege as a ground for not answering an interrogatory or any part of an interrogatory, set forth the legal grounds and facts upon which the objection or privilege is based.
